As a participant in this ride, I agree to abide by the rules of AERC. I understand that distance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and manmade hazards which ride management cannot anticipate, identify, modify or eliminate; that horses may be excitable, difficult to control and unpredictable, that accidents can happen to anyone at anytime. I agree to take full responsibility for myself and the animal I'm riding. I will hold the ride management (DBDR) all ride personnel, and all property owners and the Knott County Riding Facility blameless for any accident, injury or loss that might occur due to my participation in this ride and free from all liability for such loss or injury.
